Good Morning,

I know for many families, Amazon has been a wonderful resource due to their pricing and convenience. Mrs. Muñoz and I are Amazon Prime members and purchase hundreds of dollars in products from the company throughout the year, whether it is specialty food items, appliance materials, tools, books, clothing items, gifts, etc.

Amazon offers an opportunity to give a portion of your purchase price to a non-profit organization. For several years, the Wakefield HS Band Boosters has had an Amazon Smile account. When making purchases using the Amazon Smile website, 0.5% of your purchase amount gets donated to the Band. While this may seem small, my wife and I end up donating between \$5 and \$10 a year. With over one hundred band families currently at Wakefield and many alumni, this donated amount can add up and help the program continue to support students and reduce costs.

Please read the message below from Amazon Smile to learn how to sign up. Also, please know that both Amazon and Amazon Smile are basically identical. The same items and prices are offered. For FAQ's regarding Amazon Smile, visit [this link](#).

Black Friday and Cyber Monday are two of the busiest shopping days of the year. This is a great opportunity to increase Wakefield High School Band Boosters's AmazonSmile donations by reminding your supporters to shop at smile.amazon.com.

Support us when you shop on Black Friday and Cyber Monday. #StartWithaSmile at smile.amazon.com/ch/56-2215549 and Amazon donates to Wakefield High School Band Boosters.

Thank you,

Brian D. Muñoz
